**This is not a set in stone schedule! Simply a guideline of when things can happen. It is 100% fluid except for the EO Meetings and Court due to HRM's schedule. Doing my best to fit in breaks for people and equines. If we decide to do "x" activity instead that's ok :)**

**Notes**

Try to maintain good activity level flow to allow good pacing  
 Throw equine breaks during the day

**Activities We Want to Do:**

- Daiku
- Joust
- 101 Class
- MIT courses
- Auths and Re-auths
- Mounted Combat
